BE A WINNER!

"High school music students have been shown to hold higher grade point averages than non-musicians in the same school, and tend to test higher on the ACT and SAT exams."

North Central Choirs were awarded the distinguished "All-Choir Award" from the Indiana State Music Association.

This is awarded to choral music programs that successfully competed at the highest level of ISSMA competitions in a variety of categories including Show Choir, Concert, Solo and Ensemble, State Qualifications and Finalist Competitions.
